**Reflection Questions:**

1. What is the importance of advocacy overall, for all people?
2. Have there been times when you have been an advocate? Has someone been an advocate for you?
3. What do you think *justice* means for people with disabilities?
4. What are concrete ways MMC can be open to people with disabilities?
5. How can we put accessibility into action?
6. How can we fully include the gifts of all people?
